IEEE is the world's largest professional association dedicated to advancing technological innovation and excellence for the benefit of humanity. IEEE and its members inspire a global community through IEEE's highly cited publications, conferences, technology standards, and professional and educational activities. IEEE, pronounced "Eye-triple-E," stands for the Institute of Electrical and Electronics Engineers. The association is chartered under this name and it is the full legal name.

### SMICH IEEE Student Branch

The IEEE student branch officially started in 2016 as SMICH IEEE Student Branch. The Institute of Electrical and Electronics Engineers (IEEE) helps advance global prosperity by promoting the engineering process of creating, developing, integrating, sharing, and applying knowledge about electrical and information technologies and sciences for the benefit of humanity and the profession. The main perspective of IEEE student branch at SMICH is to make the students aware of various facilities and student development programs provided by IEEE. Here at SMICH, we encourage the networking of undergraduate and postgraduate students with industry and academics.

ACM, the world's largest educational and scientific computing society, delivers resources that advance computing as a science and a profession. ACM provides the computing field's premier Digital Library and serves its members and the computing profession with leading-edge publications, conferences, and career resources.

### SMICH ACM Student Chapter

The SMICH Hyderabad Student Chapter of the ACM was established in 2016 to address the needs of the SMIC Hyderabad computing community. Goal of the chapter is to create interest among the students for computer science apart from what they learn during the course work. The chapter organizes talks and workshops on different subjects by speakers who are well known in their area. These talks give students opportunities to learn about advanced research subjects. Apart from these, some non-technical activities are also organized.

ISTE STUDENT CHAPTER was established at ST MARY'S INTEGRATED CAMPUS on 2017. The Chapter started with 522 student members and continued till date with all the student members as registered members. SMICH encourages the students equally to become a member and take advantage of the various benefits of the Chapter. Every year the ISTE Student chapter of SMICH conducts various events such as expert lectures, workshops, seminars, Industrial visits, etc. to assist staff and students for updating their technical knowledge.

The seed for the Computer Society of India (CSI) was first shown in the year 1965 with a handful of IT enthusiasts who were a computer user group and felt the need to organize their activities. They also wanted to share their knowledge and exchange ideas on what they felt was a fast emerging sector. Today the CSI takes pride in being the largest and most professionally managed association of and for IT professionals in India. The purposes of the Society are scientific and educational directed towards the advancement of the theory and practice of computer science and IT.
